General Discussion:

Seminar: Discussion centered around ideas for the seminar, including speakers and a keynote speaker. We made arrangements to contact people who may be interested in speaking and asking them to submit an abstract. There were many good ideas, and hopefully we can bring together a very interesting and exciting seminar this year.

Charlie Joyce and Joyce Carlson will be moderators at the seminar. Jonathan has taken care of booking Hs. Lordships, and has paid the deposit. There are more speaker positions available if someone is interested in speaking, so please send your abstract as soon as possible to Angie at agiles@harris-assoc.com.

New Technologies: Jennifer Glynn brought in some literature from Tenbusch, who is looking for a pilot project in the area where they would use their new insertion method which is a jacking/bursting pipe replacement method. If your agency is interested, please contact Jennifer Glynn for more information.

Next Meeting:

Our next meeting will be on Tuesday, November 18 2003 (Note the meeting will be held a week earlier than usual because of the holidays). It will be held at the offices of Brown and Caldwell at 201 North Civic Drive, Suite 300, in Walnut Creek. Please call Jennifer Glynn at 925-210-2307 or e-mail her at jglynn@brwncald.com to RSVP by Monday, November 17th. ***There will be no presentation at this meeting.***
