**Construction Bid Manager**

# Free Tool Automates the Entire Construction Bid Management Process

- Eliminate the manual steps typically performed by Public Agencies to create, view and share information related to construction projects from budgeting, advertising, updating and closing.
  - Save time and money by putting all of your bid project information into one tool that then manages all advertisement, plan holders lists, notifications, addenda, and electronic plans/specs and closing
  - Extend your outreach to virtually the entire AEC and DBE community resulting in a greater number of qualified low bids
  - No software downloads, no IT department involvement, only internet access required

# Construction Bid Management Components

- Request for proposal/request for qualifications
- Invitation for bids
- Plan holders
- Addenda
- Plans and specifications
- Bid results
  - Listed subcontractors

# The Value Gained by Posting Projects

- Distribution of your project opportunities to virtually the entire 30,000 member AEC market and associated entities creates more qualified competitive bids and lower prices
  - Engineers and architects
  - General contractors
  - Subcontractors
  - Suppliers
  - Service providers
  - Plan rooms
  - Notification services
- Automatic listing of your project information on your website

# The Value Gained by Adding Plan Holders

- Automatic update of planholders on your website
- Automatic distribution of Addenda notifications to plan holders
- Provide the market with a complete and timely plan holder list for your projects
- More competition amongst plan holders
- Automatic distribution to your plan holders of the bid results and listed subcontractors for your projects

# The Value Gained by Adding Addenda

- Automatic notifications to plan holders of your project Addenda
- Automatic posting of your project Addenda to your website
- Better informed bidders
- More complete bids

# The Value Gained by Adding Bid Results

- Automatic notification of your project bid results and listed subcontractors to your plan holders.
- Automatic display of bid results on your website
- Automatic archive of your bid results for later retrieval and analysis
- Automatic “Bid Tab” generation for bid item price comparisons
- Fewer calls to your department
- Fewer written request for bid results

# The Value Gained by Adding Plans and Specifications

- Your electronic distribution will reduce the printed costs for your agency
- A wider market for you plan distribution resulting in more competition and lower bid prices
- Small contractors, suppliers and service providers can print out only the sections of the plans and specifications needed for their scope of work
- Your plan holders will receive automatic notification of any addenda that are issued and will be able to view and download the addenda
- Reduction of activity at your plan desk
